

Annual Giving CAMPAIGN 2021 | 2022

Make the wise choice!

The Key To Educational
Excellence Since 1868

Ways to make a charitable gift

“We were fortunate to have hybrid school last year, but the joy of seeing students’ faces back in the building for a full week is priceless. Annual Giving ensures we have the extra cleaning, updated technology and curriculum, and required building maintenance to make in-person school possible.”

—Current Grade 8 parent

Cash

Contributions of cash, checks or money orders are accepted and preferred. Checks should be made out to St. Peter School with the note, “Annual Giving Campaign.”

Credit Card

Contributions by credit card may be made at event.gives/stpeterfund21 (link on school website) and in weekly *Rock*; VISA, Mastercard, Discover and American Express accepted. Please consider adding 6% to base gift to cover credit card fees. Thank you.

Combined Federal Campaign (CFC) and United Way

We remain in business with the CFC! ID number (for St. Peter’s Church and school) is #39466 (link on school website under Support SPS). The CFC does not include donor names and gift amounts with disbursements, so please share gift details with the SPS Development Office to ensure proper recognition. To donate through United Way, note “St. Peter School” as a write-in agency.

Employer Matching Gift

Please consider amplifying your donation through an employer matching gift. Check participation details where you work.

Stocks, Bonds and Other Securities

To transact a securities donation, please contact the SPS Development Office.

Planned Giving

Supporters can ensure the long-term financial security of the school through planned giving. Gifts can be made through a will bequest, a life insurance beneficiary designation or a retirement plan.

Giving Levels

1868 Circle
\$2,501 and higher

Keys to Success Circle
