

Extended Care Enrichment Programs

Fall 2018

Dear parents,

Welcome back to school! We are excited to announce the fall 2018 enrichment classes that we will be offering this semester. Please see the attached sheets for the specific details for each class. In response to the feedback the Extended Care Program received at the end of last year, we have added a few new classes to our program including language classes, tennis, Irish dance, and etiquette classes. Additionally, our morning fitness class will be offering a week of free promotional sessions and we will be hosting a small Enrichment Fair on our Back to School Nights. Stop by St. Peter School from 5:30pm – 6:00pm on September 4th to learn more about PK – 3rd grade enrichment, or from 5:30pm – 6:00pm on September 6th to learn more about 4th – 8th grade enrichment.

Please note that students do not need to be enrolled in Aftercare to participate in enrichment classes. However, if your student is not in Aftercare full time, he or she will need to be picked up immediately following the end of class. Any students left in aftercare more than ten minutes after their enrichment class will be charged the drop-in rate of \$30. This prevents our regular aftercare classes from becoming too crowded and overwhelming the teachers. Thank you for your understanding.

To enroll your student in enrichment classes, please visit our new online registration site: <https://campscui.active.com/orgs/StPeterSchool?orglink=camps-registration>. Please note that while registration is free, you will be billed for the programs in which you have enrolled after the enrichment classes have begun. Space in each class is limited, and we will fill the classes on a first come, first serve basis.

Thank you,

Mrs. Allison Atherton
