Admissions Policy

As an Archdiocese of Washington school, St. Peter School gives preference to families actively participating in an ADW parish, particularly those supporting St. Peter School (see list below) for initial admission. This preference becomes especially important for the competitive applications in Pre-K 4 and Kindergarten.

Archdiocese of Washington schools may not discriminate on the basis of any legally protected status, including race, sex (unless traditionally a single-sex school), or national origin.

St. Peter School is supported by St. Peter's Church, the home parish; St. Joseph's; St. Dominic'; St. Mary Mother of God; St. Patrick's; the Cathedral of St. Matthew the Apostle; Epiphany Catholic Church; and St. Frances de Sales. St. Peter School is also supported by tuition, the contributions of parish and school community members, and other gifts to the school. When all admissions criteria are equally met, and the application process is completed by the stated deadline, applicants will be given priority and tuition will be set according to the following:

1. currently registered students who continue to meet school standards, and the siblings of such students;
2. children of registered, contributing parishioners of our supporting parishes (listed above) and other parishes in the Archdiocese of Washington;
3. children of registered Catholic parishioners outside of the Archdiocese of Washington; and
4. non-Catholic students.

All admissions are subject to the approval of the principal and are based on criteria such as:

1. active/contributing ADW parish membership (minimum three-month registration and contribution/active participation record at an SPS-supporting parish or other ADW parish);
2. acceptable school records:
 - a. academic;
 - b. social;
 - c. psychological;
 - d. attendance;
3. predetermined class size and boy/girl ratio.

School administration reserves the right to place students in a class consistent with the results of the student's prior academic records and admissions testing.

A lack of available spots may require a waiting list to be established. In such a case, when all admissions criteria are equally met, a list will be generated for each class on a first come-first served basis, based on those families meeting the described admission criteria outlined above.

Application for admission will not be accepted if the concerned party is in violation of Archdiocesan policies or adopted policies of St. Peter School, or has an outstanding tuition balance at another school.

Each family seeking application to St. Peter School must file an application and comply with visit/testing requirements. A parent visit, in addition to an open house, is encouraged but not required. In addition to the application, families must provide the following:

- ☐ certificate of birth;
- ☐ certificate of baptism (as appropriate);
- ☐ academic transcripts;
- ☐ standardized test scores, if available;
- ☐ teacher recommendations; and
- ☐ record of IEP or other accommodation plans (if applicable).

School records and results of prior academic testing must be submitted before final approval of acceptance is given. A letter of acceptance or denial will be sent to parents. Parents are required to supply all pertinent information having impact on the school's ability to provide for the child's needs. Additional academic and/or psychological evaluation may be required at the discretion of the principal.

Age Requirements

The Catholic Schools Office of the Archdiocese of Washington requires that:

- ☐ students entering Pre-K must be four years of age by September 30 of that year;
- ☐ students entering Kindergarten be five years of age by September 30 of that year;
- ☐ students entering Grade 1 be six years of age by September 30 of that year.

No exceptions will be made.

Pre-K Requirement

All students entering the Pre-K program must be toilet trained. This is a condition of acceptance into the Pre-K program. No diapers or pull-ups are allowed.

Non-Catholic Students

We welcome the diversity brought to our school community by the presence of non-Catholic students. Non-Catholic students are expected to participate in the religious education programs of the school and attend school Mass and other religious functions held during the school day.

Students with Special Needs

St. Peter School recognizes the unique gifts within each child. In an effort to foster continued growth, the school embraces the opportunity to serve students with special needs so long as the resources to do so are available within the school. Parents are considered an integral part of the process. In order to accommodate a student who has been evaluated for special learning needs, parents must share educational and/or psychological testing results and any resulting recommendations with the school. A student with special needs may be admitted on a probationary basis.

If a student has a documented disability, a copy of the Individualized Education Plan (IEP) or other plan must be maintained in the student's confidential file. Students who have a documented disability but do not qualify for services through the local public school may be eligible for accommodations through an assistance plan determined by St. Peter School administration and faculty. The refusal to provide previously documented information is grounds for terminating enrollment in the school.

Students with disabilities are expected to follow the school's policies and procedures.

Students Transferring from Another Archdiocese of Washington School

If transferring from another Archdiocese of Washington school, the applicant may not be enrolled or be allowed to attend school until the principal consults with the principal from the former school in order to ensure no behavioral/safety concerns exist and all financial obligations are current. The applicant may not enroll until all financial obligations at the former school have been resolved.

Notification of Acceptance

Decision emails and letters on new applicants will be released on February 28, 2020, after the completion of the application process, admissions testing, and shadow visit/playdate.
